INDUSTRIES AND COMMERCE DEPARTMENT.

From
Sri M.T.Raju, Bar-at-law, I.C.S.,
Director of Industries and Commerce, Madras.6.

To
The Secretary to Government,
Development Department, Fort St. George, Madras.9.

No. 2123--D1/49 dated 20th May 1952.
===

Sir,

Sub:- Industries - Sericulture - Government Silk Filature, Kollegal - Audit Report for the period ~~from 1-10-1948~~ to 31-3-1949.

Ref:- Government Memo No. 28677 G/52-1 Development dated 13--3--1952.
===

I submit the following replies in respect of paragraphs 2, 6 and 7 of G.O. No. 5334 Development dated 29--12--1950..

Para 2 of the G.O.

Maintenance of additional accounts:

The Accountant General, Madras in his Audit Note for Government Silk Filature during the period 1-10-1948 to 31-3-1949 suggested the maintenance of the following additional accounts with a view to facilitate easy compilation and check of final accounts in commercial form in the Government Silk Filatures, Kollegal:-

(1.) Posting Register as maintained in the Kerala Soap Institute, Kozhikode for purposes of reconcilliation of financial figures with commercial figures.

(2.) Goods recived sheets for noting down receipts of cocoons and other articles in the factory.

(3.) Transit register of finished porudcts to Stores.

(4.) Priced Stores ledger.

The action taken to give affect to the sugrestion of the Accountant General is detailed below:-

(1.) Posting Register.

A spare copy of the posting Register was not available either with the Oil Technologist, Kerala Soap Institute or the Oil Chemist, Government Oil Factory, Kozhikode. I have therefore asked the Superintendent, Government Press to prepare a register for use in the Government Silk Filature, Kollegal and on receipt of his reply, the register will be maintained.

(2.) Goods received sheet.

The Sericultural Expert explained that the cocoon purchasing Assistants who purchase cocoons on behalf of the Government Silk Filatures send a cocoon despatch invoice along with the consignment giving full particulars therein. The consignment of cocoon on receipt at the Filature is weighed and the receipt weight is noted on the cocoon despatch invoice sent along with the consignment of cocoons. He has pointed out there seems therefore no need for the introduction of goods received sheet for noting the receipt of cocoons.

The above explanation of the Sericultural Expert has been referred to the Accountant General, Madras who

accepted it vide Accountant General's letter No. O.A.33-P.50/49-50/503 dated 19-1-1952 (copy enclosed).

(3) Transit Register of Finished Products: Printed forms of "Finished Products to stores slips" are being maintained with effect from 1-11--1951.

(4.) Priced Stores Ledger. The Sericultural Expert, Government Silk Filature, Kollegal explained that the stores ledgers are already being maintained in which the prices of the stores received and stores issued are noted. A separate priced stores ledger is not therefore necessary. The Accountant General who was referred in the matter has agreed to the procedure followed by the Sericultural Expert-- vide Accountant General's letter No. O.A.33.P.50/49-50/503 dated 19--1--1952.

(5.) Register of Assets:- Para VI (v) of the Audit Report.

This register is being maintained since 1-4-50 and Government have already been informed of it in para 2 of this office letter No. 2123 D1/49 dated 10-5-1051.

3. Para 6 of the G.O. Kollegal Disposal of the assets of Kollegal Silk Filature:- The Sericultural Expert who was asked to submit proposals for the disposal of the assets of the Kollegal Silk Filature, Kollegal, has reported that the lands belonging to the Kollegal Silk Filature and the reeling basins only can be disposed of and that the other assets viz., buildings, and some other items such as boiler etc., are required for the twisting and weaving sections which have been proposed to be installed in these buildings. I have called for certain particulars from the Silk Filature and I shall submit a detailed report to Government in this regard shortly.

4 Para 7 of the G.O. Depreciation. In G.O.No. 4391 Development dated 4-10-1951 Government have approved the rates and the method of calculating depreciation to be adopted in all the commercial concerns under the control of this department.

No.923.D1/52. dated 11th August 1952

Dev. C.M.927318/52 14-8-52

Sir,

Sub: Industries -Sericulture - Kollegal Silk Filature, Kollegal - assets disposal of regarding.

Ref: (1) Para 6 of G.O.No.5334 Dev., dated 29-12-50.
(2) This office letter No.2123D1/49 dt.20-5-52

UNDER SECRETARY 14 AUG 1952 DEVELOPMENT DEPARTMENT

The Accountant General, Madras suggested in para V of the audit report on the accounts of the Government Silk Filatures, Kollegal for the period 1-10-48 to 31-3-49, that the question of disposal of the idle plant and machinery, etc. might be considered by Government so as to reduce depreciation and interest charges on a capital of about Rs.1,05,460/-. Government have in the G.O. cited above ordered that the question of disposal of the aforesaid plant and machinery etc., should be taken up after watching the position for not more than one year.

2. In this connection I may submit that the value of Rs.1,05,460/- mentioned in the audit report was the value of the assets as on 1-4-49, and that the depreciated value of the several assets of the Kollegal Silk Filatures as per the audited proforma accounts and balance sheet for the year 1950-51 is as below:

		Rs.	As.	Ps.
1)	Lands	Rs. 7446	0	0
2)	Main Buildings:	Rs. 9555	10	0
3)	Office Building:	Rs. 22986	12	5
4)	Reeling basins and machinery:	Rs. 22896	7	8
5)	Tools and equipment:	Rs. 3643	3	8
6)	Water Supply and sinking of borewells:	Rs. 947	8	4
7)	Sechoir.	Rs. 5166	10	10
8)	Furniture.	Rs. 2564	6	3
9)	Cart	Rs. 226	8	5
10)	Electrical installation	Rs. 8519	2	4
11)	Scientific instruments.	Rs. 222	15	9
12)	Books and Publications.	Rs. 88	0	3
	TOTAL:	Rs. 84263	5	11

3. The Sericultural Expert who was consulted regarding the disposal of the assets, has stated that the buildings of the Kollegal Silk Filatures which were hitherto vacant are now required to house the Twisting machinery which has already been erected and the power looms sanctioned in G.O.Ms.No.4025 Dev., dated 8-9-51. He has further reported that the assets referred to under items 5 to 12 will be required for use in the proposed Twisting and weaving sections and hence will have to be retained. The Sericultural Expert has therefore transferred these assets to the Government Silk Filatures, Kollegal.

/p.t.o./

6/

+ 28/7/53 Gr. 2nd W/1/53

5 above

+ The reeling basins and machinery (item 4 in the above list) valued at Rs.22896-7-8 are not required at the Government Silk Filatures, Kollegal and the Sericultural Expert has sent out enquiries for their disposal. I shall submit a further report on receipt of firm offers in regard thereto.

5 With regard to item 1 above valued at Rs.7446 the Sericultural Expert has reported that the lands worth Rs.3441-6-0 will be utilised for accommodating the Twisting and Weaving sections as the buildings of the Kollegal Silk Filatures are located in this particular land. He has further reported that the remaining portion of the land measuring 6.47 acres and valued at Rs.4,004/10/- which was used for dumping pupae when the Kollegal Silk Filatures was working are at present lying fallow. The question of bringing these lands under mulberry cultivation was examined in consultation with the Sericultural Expert, Govt.Silk Filatures, Kollegal who is of the opinion that they may be cultivated with green manure crops and fodder crops in the first instance in order to improve the fertility of the soil and that after a few years mulberry cultivation could be taken up. I am therefore examining the question of transferring these lands to the Sericultural section and shall submit proposals in this regard shortly.

7-11-52

Sub: Industries - Sericulture - Kollegal Silk Filatures, Kollegal - Disposal of assets-

Ref: Government memorandum No. 28677-G/52-5, Development, dated 20-8-1952.

UNDER SECRETARY 7 NOV 1952 DEVELOPMENT DEPARTMENT

pp 7-8 above

In their memorandum cited above Government have asked me to confirm that both the main buildiggs and office buildings (Items 2 & 3) of the Kollegal Silk Filatures are required to house the Twisting machinery and powerlooms. Government have also called for details under each item of asset viz. 2 and 3 and 5 to 12 and asked me to state whether provision was not made for them in the scheme for the establishment of the Twisting and weaving sections and to explain clearly the need for each item and the use to which it can be put to in the weaving and twisting sections. With regard to the reeling basins and machinery and lands (Items 1 and 4) I was asked to expedite my further report.

p 7 above

2 With reference to para one of the Government memorandum I confirm that both the main buildings and the office building of the Kollegal Silk Filatures, Kollegal are required to house the Twisting and Weaving machinery.

p 7-8 above

3 With reference to para 2 of the Government memorandum I furnish below details under each item of asset viz., 2 and 3 and 5 to 12 and indicate the use of these assets in the proposed Twisting and Weaving Sections:

6

ITEMS No. 2 and 3:
MAIN BUILDING AND OFFICE BUILDING:

(1) Reeling Hall:

The Atwoods Silk Twisting machineries imported from U.S.A. have already been installed here. It is proposed to instal the 20 Powerlooms also in the same hall towards the Western side, as soon as they are inspected.

2) COCOON STORES AND COCOON STORES EXTENSION:

Accessory Textile machines to twisting and Weaving Sections such as handloom warping, sectional warping and weaving, Alta winding and Risu winding sections will be housed here. In addition the existing handloom weaving section with 12 handlooms now located in the Government Silk Filatures will also be housed here.

3) SILK EXAMINING AND PACKING ROOM: Will be required for cocoon examination and as store room for handloom weaving section.

4) BOILER ROOM AND STIFLING CHAMBER: Will be required for housing the boiler and the steaming thrown silk.

5) Managers Quarters;

This is reserved for the Manager (Weaving) to be appointed in due course.

6) ASSISTANT MANAGER'S QUARTERS:

This will be allotted to the Textile Assistant to be appointed.

7) PEON'S QUARTERS:

These will be allotted to the peons and sentries.

pto

8) WELL, PUMP HOUSE, WATER TANK, ENGINE HOUSE:

These items of assets will be utilised for the supply of water to the twisting and weaving sections besides to the residential buildings.

9) LATRINE:

10) LUNCH SHED:

11) GATE WAY AND SENTRY BOX.

12) WORKSHOP:

for the new factory use.

13. OFFICE BUILDING: Is required for use as office in the new factory.

ITEM No. 5:
TOOLS AND EQUIPMENT:

(1) Beam balance of one ton capacity with wooden scales and eight chains of 6' long	Proposed to be used for weighment of fuel for the boiler in the Twisting and Weaving section.
(2) Avery 861 beam scale with weight avery 920 brass beam scale:	For weighment of silk and boblins with silk in the proposed Twisting and weaving sections.

ITEM No. 6:
Water supply and sinking of bore wells: — for supply of water to the proposed factory.

~~ITEM No. 6:~~
~~Water supply and sinking~~

ITEM No. 7:
SECHOIRS:
This was long ago dismantled and the electric motor and other parts are being used in the Govt. Silk Filatures, Kollegal.

ITEM No. 8:
FURNITURE:

(1) Teakwood chairs and writing tables etc.	For use of the office and factory in both the Govt Silk Filatures and proposed Twisting section.
(2) Teakwood table with one drawer on either side Teakwood trays, odrej steel cash box, time-piece;	--do--
(3) Teakwood dressing table with mirror on stand, chest of drawers, etc	Required for the residential quarters for the proposed Manager (Weaving).

ITEM No. 9:
C A R T:
This will be used after repairs for transport of fuel to the boiler room from the fuel yard.

contd.

4

ITEM No. 10;

ELECTRICAL INSTALLATIONS:

(1) Electric Motor and Pump sets:

For the supply of water from bore well.

(2) Lighting in the factory.
Reeling hall, cocoon stores, boiler room, etc. lighting in residential quarters.

The electrical installation at the residential quarters are necessary for the respective quarters. The electrical installation in the factory buildings will be made use of for the silk twisting and weaving sections.

ITEM No. 11:

SCIENTIFIC INSTRUMENTS:

THERMOMETER, ETC:

For use of the twisting factory.

ITEM No. 12:

BOOKS AND PERIODICALS:

Account books will be utilised for the office of the Twisting and Weaving Sections. In this connection I submit that only minimum provision of funds was made under the several heads of expenditure in the twisting and weaving section Schemes after taking into consideration the assets of Kollegal Silk Filatures available for use.

A

DISPOSAL OF LANDS, ITEM 1:

on p6 above

As already reported in the last para of this office letter No. 923-D1/52, dated 11-8-52, the question of transfer of the lands to the Sericultural Section was examined by me in consultation with the Sericultural Expert, Govt Silk Filatures, Kollegal with a view to take up mulberry cultivation on these lands. I consider that the work relating to the cultivation of these lands cannot be attended to by the Filature. I therefore suggest that these lands measuring 6.47 acres and valued at Rs 4,004/10/- may be transferred to the Sericultural Section and the cost thereof recovered by book adjustment. I request that Government may be pleased to issue necessary orders in this regard early.

N

ITEM No. 4:

REELING BASINS AND MACHINERY:

With regard to the disposal of the reeling basins and machinery I submit that the Director of Industries, Bihar has asked the Sericultural Expert to furnish our quotations and full description and these are being furnished to him. I shall submit a further report on hearing from the Director of Industries, Bihar.

M

for Director of Industries & Commerce.

Dev. (G) Deptt.

Sub:- Industries - Sericulture - Govt. Silk Filatures, Kollegal - Audit report for the period from 1-10-48 to 31-3-1949 - Plant and machinery of Kollegal Silk Filatures - Transfer to Govt. Silk Filatures - Ordered - Sale of reeling basins and machinery - Permitted.

Read:- G.O.Ms.No.5334 Devt. dt. 29-12-1950.
Read also:- From the D.I.& C.No.923 DI/52, dt. 11-8-52. and 4-11-1952.

G.O.Ms.No. 234 dated 16-1-53

With a view to reduce the over head charges, the A.G. Madras, in his Audit Report on the accounts of the Govt. Silk Filatures, Kollegal, suggested that the question of disposal of the plant and machinery of the Kollegal Silk Filatures valued at Rs. 105,460/- (as on [illegible]) may be considered by the Govt. In paragraph 6 of G.O.Ms.No.5334 Devt. dt. 29-12-50, the D.I.& C. was requested to submit a report on the question after reviewing the position. The D.I.& C. has now submitted his report.

2. The depreciated value of the several assets of the Kollegal Silk Filatures according to the audite proforma accounts and balance sheet for 1950-51 is as given below:-

Nature of the assets	value Rs.	As.	Ps.
1) Lands	7,446	0	0
2) Main Buildings:	9,555	10	0
3) Office Building:	22,986	12	5
4) Reeling basins and machinery:	22,896	7	8
5) Tools and equipment:	3,643	3	8
6) Water Supply and sinking of borewells:	947	8	4
7) Sedhoir.	5,166	10	10
8) Furniture.	2,564	6	3
9) Cart	226	8	5
10) Electrical installation	8,519	2	4
11) Scientific instruments	222	15	9
12) Books and publications.	88	0	3
Total.	84,263	5	11

3. The D.I.& C. now reports that the assets of the Kollegal Silk Filatures were taken into consideration in providing funds for the two schemes connected with the installation of the Atwood Silk Twisting Plant and twenty power looms at the Govt. Silk Filatures and that

14/

only minimum provision of funds was made in respect of the two schemes. He has therefore proposed that the buildings, the lands on which the buildings are situate, the plant and machinery (excluding the reeling basins) may be transferred to the Govt. Silk Filatures, and that the remaining portion of the land may be transferred to the Sericultural section. The Govt. of Madras accept the proposals of the D.I.& C. and accordingly direct:-

(i) that the assets referred to under items 2 and 3, and 5 to 12 valued at Rs. 53,920-14-3 be transferred to the Govt. Silk Filatures, Kollegal for use in connection with the installation and working of the Silk Twisting and Power loom weaving sections;

(ii) that the land valued at Rs. 3,441-6-0 on which the buildings referred to under item 2 and 3 are situate be transferred to the Govt. Silk Filatures, Kollegal and that the remaining portion of the land measuring 6.47 acres and valued at Rs. 4004-10-0 be transferred to the Sericultural section of the Industries deptt. for mulberry cultivation and its value recovered by book adjustment; and

(iii) that the Reeling basins and machinery valued at Rs. 22,896-7-8 (item 4) be disposed of at the most favourable price and the receipt credited to the accounts of the Govt. A report on the amount realised should be submitted to the Govt. in due course.

23 MAR 1954

Ref: Government Memo No.69672 E/53-1 dated 8-3-54.

------x-----

The Sericultural Expert, has stated that he has not received any reply from the additional Director of Industries and Commerce, Bihar, Patna and that the Superintendent of Sericulture and weaving Assam has replied that the reeling basins in the Government Silk Filatures, Kollegal are not suitable to him. Further none of the Filatures in Mysore State also require the reeling basins. In the circumstances and as there are no propsective purchasers of the surplus reeling basins at present, these will have to be kept in our stock until such time as enquiries are received from them. The Sericultural Expert is also being instructed to personally see that the basins do not get deteriorated due to long storage.

I further propose to release periodically, advertisements in the important dailies in North India and also bring to the notice of the Central Silk Board regarding the availability of surplus basins at Government Silk Filature. I shall submit my further report in the matter in due course after the disposal of the said basins.

Sub:- Industries - Sericulture - Govt. Silk Filature, Kollegal - Audit report for the period from 1-10-48 to 31-3-49.

Ref:- Memorandum No. 28677 G/52-1, dated 13-3-1952 From the D.I.& C. No.2123 DI/49, dt.20-5-52.

****

The Govt. Silk Filatures, Kollegal, which was a State Trading Scheme till 30-9-1948 was treated as a Govt. Commercial concern with effect from 1-10-1948. The first audit of accounts of the concern conducted was therefore for the period from 1-10-1948 to 31-3-1949. The orders of the Govt. on the review of the Audit Report for the period were issued in G.O. No.Ms.5334 Devt. dt. 29-12-1950. While issuing orders, further reports were awaited in some cases from the D.I.& C. and in some other cases the D.I.& C. was asked to report on the action taken by him etc. The points are noted on below in the light of the D.I.& C.'s repor

2. Paragraph 2. Maintance of additional accounts

To facilitate easy compilation and final check of accounts the A.G. suggested the maintenanc of the following accounts:-

(a) Posting Register,

(b) Goods received sheets,

(c) Transit register of finished Products to Stores,

(d) Priced Stores Reigster.

(a) Posting Register. The D.I.& C. has reported that on receipt of a printed register from the S.G.P. one will be maintained. No further action is called for.

(b) and (d) Goods Received Sheets and Priced Stores Ledger:- The A.G. has agreed to the adoption of the existing procedure at 'A' on 'B' on pp. 3 and 4 c.f. No further action is called for.

(c) Transit Register of finished Products.

This is being maintained with effect from 1-11-1951. No further action is called for.

p.t.o.

(Cno 28677 8/52)

3. Para 4 of this Go. - Deficit Stock of Silk-

The report from the D.I.& C. has already been received and dealt with. No further action is called for.

4. Para 5 of this Go. - Rate of Silk issued ... eaving Section.

The report from the D.I.& C. has been received and Govt. have issued orders in memo No.90271 MI/51-4, dated 30-11-51. No further action is called for.

5. Para 6 of this Go. - Disposal of idle plant and machinery of Kollegal Silk Filatures.

The D.I.& C.'s further report may be awaited - vide 'M' on p. 4 c.f.

6. Para 7 (a) of this Go. Method of calculating depreciation.

The rates and method of calculating depreciation to be adopted in all Commercial concerns have been approved by the Govt. in G.O.No.Ms.4391 Devt. dt.4-10-51. No further action is called for.

Para 7 (b) of this Go. - Register of Assets.:-

The register is being maintained from 1-4-50 No further action is called for.

It will be seen that the only outstanding point is in regard to para 5 of the notes above. It is submitted that the D.I.&.C!s. further report in this regard may be awaited till 25-6-52. For orders.

(From the D.I.& C. no 923 DI/52 dt 5.11.52)

PTO

Kollegal Silk Filature was run by the Madras Govt. from June 1943. Another Filature at Kollegal under the name of Govt. Silk Filatures was being administered by the Govt. of India. On 1-9-45 the Govt. Silk Filature was taken over by the Madras Govt. and both Filatures were amalgamated from 14-8-46 as Govt. Silk Filatures, Kollegal. From 1-10-48 onwards the Govt. Silk Filatures, Kollegal has been running as a Commercial concern.

2. In the audit report on the accounts of the Govt. Silk Filatures, Kollegal for 1948-49 (1-10-48 to 31-3-1949) the A.G. suggested the disposal of the idle plant and machinery of the Kollegal Silk Filatures so that depreciation and interest charges on Capital of about Rs. 1,05,460/- (as on 1-4-49) may be reduced. The D.I.& C. however considered that the time was not favourable to dispose them but the position would be watched for two years and necessary action taken. ~~to dispose them.~~ The Govt. while reviewing the audit report ordered in G.O. No.5334 Devt. dt. 29-12-50 that the question of disposal of the idle plant and machinery of the Kollegal silk Filatures should be taken up after watching the position for not more than one year. The D.I.& C. was asked to submit a report reviewing the position by January 1952.

3. The report of the D.I.& C. is at pp.5-6 c.f. He has stated that the value of Rs. 1,05,460/- mentioned in the Audit report, was as it stood on 1-4-49 and that their value according to the accounts for 1950-51 worked out to Rs. 84,263-5-11 as detailed in para 2 on p. 5 c.f.

The D.I.& C. has stated that all except items 1 & 4 are required for use in the Twisting and Weaving Sections now under erection at the Govt. Silk Filatures. The details under each item of asset and the need and use to which it can be put, are explained in his report

p.t.o.

on pp. 9-11 c.f. They are noted on below:-

(1) Lands:- The depreciated value of the lands is reported to be Rs. 7446/- Buildings of the Kollegal filatures in which it is proposed to locate the Atwoods twisting machinery and the power looms are located on this land. The portion occupied by the buildings is valued at Rs. 3,941-6-0. The remaining portion of the land measuring 6.47 acres is fallow. The D.I.& C. considers that this waste land valued at Rs. 4004-10-0 may be usefully reclaimed for mulberry cultivation. He therefore suggests that it may be transferred to the Sericultural section and the cost recovered by book adjustment.

(2 & 3) Main Buildings and Office Buildings:- Value Rs 32,542-6-5.

These are proposed to be utilised for housing the Atwoods silk Twisting machinery and the 20 power looms. No site or building was sanctioned for the purchase of ~~in that G.O.~~ Details of each item of the buildings and the purposes for which they would be used are given at X on pp. 9-10 c.f. In the scheme submitted by the D.I.& C. for the installation of power looms for the weaving section it was stated that the existing buildings at the Govt. Silk Filatures will be made use of. Presumably the D.I.& C. had in view these buildings.

(4) Reeling Basins and machinery:- Value 22,896-12-8.

The D.I.& C. has stated that they are not required at the Govt. Silk Filatures. Kollegal. It is stated that the D.I.& C, Bihar, has called for quotations and their description with a view to purchase them, and that a further report will be sent on receipt. This may be dealt with separately

(5) Tools and equipment value Rs. 3,643-3-8.

The one ton beam balance and the avery beam scale are proposed to be utilised for the Twisting and Weaving sections.

(6) Water Supply - Value Rs. 947-8-4.

The Water supply system and bore wells will be utilised for supply of water to the proposed factory.

(7) Sechoirs:- Value Rs. 5166-10-10.

It is reported that this was long ago dismantled and the electric motor and other parts are being used in the Govt. Silk Filatures, Kollegal.

(8.) Furniture - Valued at 2,564-6-3.

A lump sum provision of Rs. 2,000/- has been made for Furniture and Fixtures in the scheme for the establishment of the Power loom weaving section. Apparently the D.I.& C. has taken into consideration the items of furniture while making a provision of Rs. 2000/- in the scheme.

(9.) Cart:- Value 226-8-5. It is proposed to use this for transport of fuel to the Boiler room from the fuel yard.

(10.) Electrical installation, valued at 8519-2-4.

The Electric motor and pump sets are said to be required for supply of Water from bore wells. The lighting in the factory, reeling hall, Cocoon Stores, boiler room etc. will be made use of for the silk twisting and weaving sections.

(11) Scientific instruments - Thermometers etc. valued 222-15-9 -.

It is reported that they are required for use of the twisting factory.

(12) Accountant Books and Periodicals - valued Rs. 88-0-

It is proposed to utilise them for the office of the Twisting and Weaving sections. It is thus observed that all items, except part of item 1 and item 4 are proposed to be used in the Twisting and Weaving sections at the Government Silk Filatures, Kollegal. The Director of Industries and Commerce has reported that the Sericultural Expert has transferred these assets to the Govt. Silk Filatures, Kollegal.

4. The Director of Industries and Commerce has stated that he had taken into consideration these assets while submitting proposals for the establishment of the Twisting and Weaving sections and that only minimum provision of funds was made under the several heads of expenditure on the two schemes. In the circumstance it is for orders whether the D.I.& C's proposals,

(i) to transfer the assets in items 2 & 3 and 5 to 12 valued at Rs. 53,920-14-3 to the Govt. Silk Filatures, Kollegal for use in connection with the proposed Twisting and Weaving Section.

(2) to transfer the land valued at Rs. 3,441-6-0 on which the buildings are situated to the Govt. Silk Filatures, Kollegal and the rest measuring 6.47 acres valued at Rs. 4,004-10-0 to the Sericultural section with a view to take up mulberry cultivation.

(3) to dispose of the Reeling basins and machinery valued at Rs. 22,896-7-8 at the most favourable price ~~price~~ will be approved.

The remarks of Finance may be invited.
